“ Sweet little Adeline. Your mommy and daddy prayed so hard for you. We will never understand why you weren't destined for earth but you are walking with Jesus. Watch over your mommy, daddy, sister and brother. Much love and many prayers for you all. We love you!

“ My precious little Grand Baby, you have been in my prayers from the second I knew of you. When I saw the sonogram I could only imagine what you would look like and how you would grow up and do wonderful things. I know that you have things to do in heaven. But you weren't here long enough for me to tell you how much I love you, and how Blessed we are, just to have been given this moment ! I pray now that you can feel my love for you ! you have lots of family in Heaven.. You are now with God as he cradles you in his arms, you will always Be in our hearts...we love you little Angel Baby Adeline..

“ I remember just how excited and happy your Mommy was when she shared the news of your impending arrival. She prayed so hard for you. We will never understand why God needed you with him so soon but I know your Mommy and Daddy sure miss you little one. Watch over them and help give them comfort and peace.
