“ Always with a grateful heart Ms. Verneeda would welcome you with a beautiful smile and a loving hug. She appreciated everyone. Her hands would gently clasp yours as she would tell you of her experiences of the day or an event.

She inquired genuinely about you, your family, your day and listened. She cared. She loved and adored the time she would spend with family and friends, especially with

Juanita. Such a blessing the two were as Mother and daughter, roommates and travel companions.

I will always remember that you left with a hug, a pat on your hand and an "I Love You"  
from Verneeda. You knew she meant it. You felt it !!

All Blessings and Love,

Jill, Mike and David Castillo

“ The first time I met her I was 14 yrs old Juanita was my friend and I came home with her after school Ms Verneeda treated me as one of the kids I was welcome but would go by the rules, what I remember most about her she was beautiful every hair in place even everyday clothes were pressed and wrinkle free, just enough makeup to add to her beauty inside and out. Her daughter Juanita is a special person who was a lot like her mother I feel very honored to have known Ms Verneeda and still honored to call Juanita my friend. Love and sympathy Debbie Lanham
